

Storing Up Treasure

Approaching God's Word with a God-centered perspective, with context and with care, takes effort & commitment. Some days the study may not move you or speak to an immediate need. Sometimes you may not be able to apply a passage at all. And that's OK - because when we study the Bible, we should be doing so with our long-term goals in focus. Do you have long-term goals for your spiritual walk? What if years from now, a certain passage opens up to you because of the time you put in to studying it today? Wouldn't your long-term investment be worth it?

Think about how & where you store your personal valuables, to be used when the necessary time comes (IRA's, Savings accts., etc.). Faithful study of God's Word is a way to fill our 'Spiritual Storerooms' with the truth. Then in our hour of need we can bring forth our 'valuable treasure' to get us through any difficulties we might face in the future.

Let's all invest wisely in our Bible study time!

“Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal; but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also.”

Matthew 6: 19-21
