God Will Renew Our Strength...if we allow Him

For many people these days, it's easy to become overcommitted, overworked, over-stressed and over-whelmed. If we choose, we can be connected 24/7, sparing just enough time for a few hours of sleep at night. God knows what we need, but He won't force us to slow down. He leaves that choice up to us.

If you're feeling chronically tired or discouraged, it may be time to rearrange your schedule ~ put down the phone, turn off the TV and spend some quiet time with God. He can help you recharge your life, renew your strength and restore your spirit.

"Be still, and know that I am God" Psalms 46:10

Tim: undergoing PT for his shoulder replacement.

Mike: still dealing with pain in the back of his head.
