FOR OUR PRAYERS:

Mike: is still having issues with his neck. Please continue to pray for him.

Some of our elderly members – Delores, Mary S., Elizabeth, and Gloria: prayers for daily strength, peace & comfort.

Pete & Hazel: Pete has been having severe pain in his arm & leg. He was given pain meds to help. Please pray for both him & Hazel as they deal with this.

Jerry: continued prayers for strength & good health.

Butch: Please continue to pray for overall strength & for more "good days". His cataract surgery is scheduled for 9/20.

Brianna (Larry & Carla's daughter): prayers for safe travels as she plans to come visit soon, & be baptized while she is here.

Don (Sherry's cousin): His surgeries went well. He needs lots of healing time. He has a feeding tube, it will be 6 weeks before he can swallow.

David (Sherry's cousin): is still in the hospital – making sure he has no infection before doing the hip replacement.

Cindy (Sherry's sister): has surgery scheduled for 10/2.

Sharon (Mindy's mom): back in the nursing home, recovering from cataract surgery. She is pretty much bed-ridden.

Hobie (Brenda's nephew): prayers that he continues to do well.

Trudi & Gary (Brenda's cousin): has ALS & is experiencing arm tremors. This is a long drawn out illness.

Megan S.: recently saw a rheumatologist & will be starting on 2 new medications. However, she cannot be alone when she starts these meds due to the side effects. Please pray that she will get some relief from her chronic back pain!

For all those we know (our unspoken needs) - that need God's loving care, healing hand and comforting peace.
