but only God can organize lives."*

Our Prayer Partner for July is...

Blake, Sherry's little granddaughter.

Blake has been on our prayer list for some time now. She is a sweet little girl who has had several medical issues to deal with at her young age. She was hospitalized last month with an infection that was difficult to treat. She has several limitations this summer, but she is an amazing little girl and does not let that get her down!

Fortunately for now, she does NOT need any surgery for her wound to heal. She will continue with regular treatments. Please, keep her in your prayers!

Also, try to write an encouraging note for Blake to add to her basket. If you would like to add a little something extra, Sherry reports that she likes:

- to paint - Dollar Tree paint & canvas are a favorite
- to play Roblox (an online game)
- her favorite treats & snacks are:
 - plain Reese's Cups,
 - Reese's Pieces,
 - regular Pringles,
 - MoMo's frozen yogurt,
 - ice cream,
 - water flavor packets
 - fruit
