

Our Prayer Partner for July is...

Blake, Sherry's little granddaughter.

Blake has been on our prayer list for some time now. She is a sweet little girl who has had several medical issues to deal with at her young age. She was hospitalized last month with an infection that was difficult to treat. She has several limitations this summer, but she is an amazing little girl and does not let that get her down!

Fortunately for now, she does NOT need any surgery for her wound to heal. She will continue with regular treatments. Please, keep her in your prayers!

Also, try to write an encouraging note for Blake to add to her basket. If you would like to add a little something extra, Sherry reports that she likes:

- to paint - Dollar Tree paint & canvas are a favorite
- to play Roblox (an online game)
- her favorite treats & snacks are:
 - plain Reese's Cups,
 - Reese's Pieces,
 - regular Pringles,
 - MoMo's frozen yogurt,
 - ice cream,
 - water flavor packets
 - fruit

Don't miss the opportunity to contribute!

Sherry will take the basket away next week - 8/3/25.

Disaster Relief Donations

Our hearts were saddened earlier this month when we heard the reports of the devastating floods that took place in Texas. The stories of those that lost loved ones were heartbreaking.

The Riverside Church of Christ in Kerrville, Texas is helping with the disaster relief efforts. If anyone would like to send financial support, you may do so online at www.rscoc.org and click on the "Disaster Relief" donation button (at the top). Or checks can be mailed to:
