

## “America Reads the Bible”

**Our Foundation. Our Future.**

**One Week. One Nation. One Book.**

**April 19-25, 2026**

“Just as Ezra read the Word aloud to the people of Israel (Nehemiah 8:1-3), awakening revival and repentance, inspiring them to rebuild the temple, and working with Nehemiah to mobilize the people to rebuild Jerusalem’s walls, *America Reads the Bible* is a sacred opportunity to **call our nation back** to its spiritual foundations.

Through a public, continuous reading of the entire Bible in our nation’s capital by our national leaders from all spheres of influence, we believe God can spark revival in individual hearts and inspire Americans to carry the Word forward in their lives and communities into the next 250 years of our national story.”
